# PLAY ANY ORGAN

Is there a button or function on your instrument that you just can't figure out?

**Sometimes it is easier to be shown how to do something than to read it in your owner's guide.**

Play Any Organ is a new monthly seminar where we teach functions found on many different brands of organ. This is great way to better understand your instrument or better yet to sound good quickly when you visit a friend and play their instrument.

**PLAY ANY ORGAN is held on the 4th Saturday of the month at 11:00am. There is no charge for this seminar.**

**This month PLAY ANY ORGAN will be held on January 28th at 11:00am. We hope many of you attend.**

To Our Valued Readers:

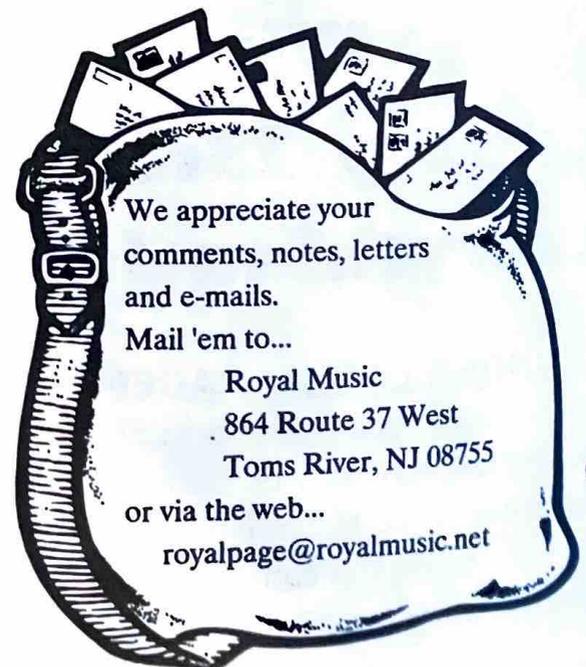

The last edition of this newsletter (October 2005) featured the new General Music Genesys keyboard on the cover. While our coverage of this keyboard was limited to a page we neglected to advertise the price. For those of you bothered by our omission we apologize.

The Genesys is one of the finest keyboards manufactured today. We import them from Italy. They are made in the same area where both the piano and the accordion were invented.

As with any item of quality there is an investment. The street price and the internet direct price is \$6399. Our everyday low price at Royal Music is \$5699.

General Music has a great website where you can even view video of the keyboard listen to audio clip and even download the owner's manual if you want to study. The website is <[www.generalmusic.us](http://www.generalmusic.us)> and the best way to audition Genesys is to stop in Royal Music and give it a try.

Only In America.....do they have drive-up ATM machines with Braille lettering.

EVER WONDER .... Why the sun lightens our hair, but darkens our skin?

Why don't you ever see the headline "Psychic Wins Lottery"?

Why is lemon juice made with artificial flavor, and dishwashing liquid made with real lemons?

If con is the opposite of pro, is Congress the opposite of progress?

A woman goes to the Post Office, to buy Stamps for her Christmas Cards.

She says to the clerk, "May I have 50 Christmas stamps."

The Clerk says, "What denominations?"

The woman says, "Heaven help us, has it come to this? Give me 6 Catholic, 12 Baptist, 10 Lutheran and 22 Presbyterian."
