Opportunity knocks very few times and more often than not we ignore the doorbell. In the tradition that has fast become the Royal Creed we pass this opportunity on to you, The Music Lover.

This Lowrey Patriot is a one owner in the Cherry Mahogany cabinet. It is in fabulous condition. You can save thousands on the instrument of your dreams.

With full console keyboards, 25 pedals and a wide array of easy play features this instrument suits any style of play. Sporting a CD drive also makes it a quaint juke box.

The new owner of this instrument will receive years of joy making music. They will also receive a full warranty.

Offered at \$10,699 this opportunity will not last forever. Trade-ins will be considered. Finance alternatives do exist. Sorry, dealers are not welcomed. This opportunity is only for friends of Royal Music.

**Technics KN-7000 keyboard**

*Considered by most to be the best instrument Technics ever made.*

*At the heart of the KN7000 is a powerful sound engine with 128 note polyphony, shaping the 64 Mbytes of samples to bring you over 1200 sounds. "Soloist" sounds feature detailed nuances of virtuosic musicians performances and "Live" drum kits bring you the full resonance of live percussion.*

*You've never had it so real!*

*This previously owned Technics KN-7000 arranger keyboard workstation was senior citizen owned. It comes from a smoke free home and is in good condition.*
