## A quick story ...

I closed the Royal Music showroom and studio in Toms River four years ago on September 30, 2019. Since then I have sold instruments from a warehouse in Middletown, NJ where I also live.

Sending newsletters in full color twice a year since closing the store has allowed me to keep in touch with students, old friends, and customers.

This issue of Royal Page is a low budget, black and white copy. The money saved in the mailing will be passed on to anyone who purchases any of the instruments advertised.

Today I have just under 50 instruments in stock. My warehouse is very full and I need to make room.

I am drastically cutting prices to stimulate sales. If you see something you like please reach out and let's talk about it.

### tempus fugit: time flies

When I signed the lease for the warehouse I never imagined it would still be so full of awesome instruments four years later.

My goal is to make room in the warehouse. There are almost 50 instruments in stock.

I am lowering prices to sell a bunch so that by the end of the year there is more room.

That said ... I am still accepting trade-ins to make it easy to upgrade to something a little better than your current instrument.

If your last purchase was when the store was open, that was at least 4 years ago. You may be due to upgrade.

## TRADE IN ANYTHING , NO MATTER WHAT IT IS!!!

Do you want a new instrument but just don't have money to put down to get one? Well, we will take whatever it is in trade, and you can use that as your down payment!!!

Things we take in trade: Autos, Boats, RVs, ALL MUSICAL INSTRUMENTS, TVs, computers, jewelry, appliances, motorcycles, video games, video game systems, DVDs, DVD players, VCRs, video tapes, cameras, tools, furniture, comic books, sport cards, artwork, printers, telephones, whatever, we can go on and on but there is too much to name! We'll take bikes from Harleys to 10 speeds, even unicycles, calculators, even old typewriters, dishwashers (electric not two handed type) washers & dryers (even wind/solar) carts with oxen, horses, mules, golf carts, golf clubs (right or left), airplanes, boats or canoes.

Now we're confident that we've forgotten something from our list. But do not despair, we will consider what you have in mind.

***If it has a cash value we will take it in trade!!!***
